

Buy like the big guys!

Join the program that gives you the buying power of a large corporation.

As a member of Staples Business Advantage®, you can get the negotiated discounts of a large, established company like Staples without having to hire 1,000 more employees. So you'll receive the brands you like at discounts you'll love, all in one place.

Who we are.

Staples Business Advantage is your total business solution. We work with companies of 10 or more employees to develop customized programs that provide businesses with ongoing expertise, specialized pricing, dedicated account management, and a complete assortment of 500,000+ products and services at the lowest total delivered cost.
