Warranty and Service information

Limited One (1) or Two (2) Year Warranty

Staples, Inc. ("Staples") warrants to the first end-user purchasing the product from an authorized distributor or authorized reseller ("Staples Partner"), that the product shall be free from defects in materials and workmanship subject to the terms set forth below ("Warranty") for a period of ("Warranty Period"):

Cordless products: one (1) year from the date the products have been purchased
Corded products and speakerphones: two (2) years from the date the products have been purchased

If the product is sold or otherwise transferred to another party, the Warranty will automatically terminate prior to expiration. Furthermore, damage caused to the product by (a) non-authorized third parties or (b) non-Staples branded or certified accessories or peripheral equipment, may void this warranty.

During the Warranty Period, Staples will, at Staples's sole discretion (a) repair the product using new or refurbished parts, (b) replace the product with a new or refurbished product, or (b) refund the purchase price paid ("Warranty Service"). The Warranty sets forth the extent and limit of Staples's obligations towards the end-user except as modified by applicable law.

Warranty on replaced or repaired products is twelve (12) months, or the rest of the original Warranty Period, whatever is longest.

As part of Staples's efforts to reduce environmental waste the product may consist of reconditioned equipment that contain used components, some of which may have been reworked. The used components meet Staples's high quality standards and comply with Staples's product performance and reliability specifications. Defective parts or products replaced by or returned to Staples during the Warranty Period become the property of Staples.

How to Obtain Warranty Service

To obtain Warranty Service, please call 1-800-270-9165.

The product must be returned in its original packaging, if possible, or packaging affording an equal degree of protection. During the Warranty Period, except where prohibited by applicable law, the end-user will bear the cost of shipping the product to Staples or such other place as Staples may direct. If the product is covered by the Warranty, Staples will bear the cost of return shipping after service has been completed. Return shipping will be charged to the end-user for products not covered by the Warranty or requiring no warranty repair. Damage occurred during shipment is deemed the responsibility of the carrier, and any claim should be made directly to said carrier.

The following information must be presented to obtain Warranty Service:

- The defective product
- The end-user's name
- Company name, if applicable
- Address
- Email address and telephone number
- A description of the problem
- Proof of purchase which clearly indicates the name and address of the Staples Partner, date of purchase, product type and model number. Without proof of purchase, the Warranty Period will commence based on the Serial Number on the product.

Consumable Components and Accessories Exempt From Warranty

Limited-life consumable components and accessories subject to normal wear and tear are exempt from Warranty, unless they are found to be defective or broken upon purchase of the product. This includes among others:

- Basic USB cords
- Adapter plugs
- Busylight
- Headbands
- Neckbands
- Ear cushions
- Decorative finishes
- Removable batteries

Consumable components and accessories that malfunction within fourteen (14) days after they have been purchased are deemed to have been defective or broken upon purchase.

This Warranty only applies to products purchased for use, not for resale. This Warranty is invalid if the factory-applied serial number, date code label, and/or product label has been altered or removed from the product.

This Warranty only applies to defective factory material and factory workmanship and does not cover defects or damages caused by or attributable to (a) improper storage or faulty installation and operation; misuse or abuse; accident or neglect, (b) contact with any liquid, (c) subjecting the product or accessories to improper or abnormal usage or conditions, or (d) other acts which are not the fault of Staples, including matters attributable to a Staples Partner.

This Warranty does not apply to products which have not been charged for six (6) months. If the battery in a product has not been charged for a period of six (6) months, the product might not function or regain its full potential and long-term performance. Staples does not offer any warranty for such performance.

It is the end-user's responsibility to operate and care for the product in accordance with the instructions and specifications supplied with the product. Repairs resulting from failure to do so are not covered by the Warranty.

REPAIRS, REPLACEMENTS OR REFUNDING AS PROVIDED UNDER THIS WARRANTY ARE THE EXCLUSIVE REMEDY OF THE END-USER. NEITHER Staples NOR YOUR Staples PARTNER SHALL BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THE PRODUCT, INCLUDING WITHOUT LIMITATION COMMERCIAL LOSS, INCIDENTAL EXPENSES, LOSS OF TIME, OR INCONVENIENCE. EXCEPT TO THE EXTENT PROHIBITED BY LAW, THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER EXPRESS AND IMPLIED WARRANTIES WHATSOEVER, INCLUDING BUT NOT LIMITED TO THE WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PRACTICAL PURPOSE.

NOTE: The Warranty gives the end-user specific legal rights. The end-user may also have other rights which vary from state to state or country to country. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or implied warranties, so the above exclusions may not apply. The Warranty does not affect statutory legal rights under applicable national or local laws.
