

CUSTOMERS SPEAK OUT

Top reasons customers love Staples Business Advantage Premium.

We love our customers. They're literally the reason we're here. Like, literally. And thankfully, our customers are pretty fond of us! But don't take our word for it — here are some of their favorite things about being Staples Business Advantage Premium members, in their own words.

"We have saved both time and money with our Premium membership. I appreciate the budget controls provided and the ability to code things to the appropriate department. And the next-day delivery rocks!"

Trish M, Office Administrator, Sentry Data Systems

"It saves me time because I can order everything from one place and know I'm getting the best prices on items we order a lot, like coffee pods. I also love that I can call someone to do the product searching when my boss says, 'I want something like this, but different.'"

Kimberly W, Office Manager, Great Lakes Cold Storage

"We get such good deals and enrolling in the Premium program was well worth it. We also love the fast and reliable shipping."

Megan K, Administrative Assistant, GH+A Design Group

"Our Premium membership has saved me time in price matching and printing custom forms and business cards. I also love the toner return service because I no longer have to physically take the old toner cartridges somewhere for disposal."

Victoria M, Medical Office Administrator, East Lansing Orthopedic Association

"No more forgetting anything. Staples Business Advantage keeps my lists of supplies so I don't have to look them up each time I order. It keeps my supply closet stocked and keeps the whining down so everyone's happy. That's how an office should run."

Debbi C, Office Manager, Selbyville Tractor & Equipment

"I am the order approver and Staples set the entire thing up in one day for all my other offices to order and I receive a notification that there is an order to review and approve. Also, we are saving money by purchasing all the items in the Premium program. It has saved us an average of \$1,500 a year just on items we have always ordered."

Colleen M, Human Resources Director, Morning Calm Management
