

PURELL® Surface Sanitizer and Disinfectant Battery-Powered Sprayer

Tackle Large Surface Disinfection Projects with Ease

Cover more surfaces in less time with the new PURELL Power Sprayer. This attachment for gallon bottles of PURELL surface sanitizer and disinfectant sprays enables fast and efficient disinfection of large surface areas. It's simple to use and convenient for both custodial and non-custodial staff – no measuring or mixing required.

- One-button operation with locking feature makes big jobs easy
- Adjustable spray-pattern nozzle
- Fold-up spray wand fits in attached holster for easy storage and access
- Battery operated with 4 AA batteries (included)
- No harsh chemicals or fumes
- No rinse required after use, even on food-contact surfaces
- No gloves or PPE required

PURELL Surface Disinfectant and Sanitizer sprays kill 99.9% of bacteria and viruses and can be used against human coronavirus*

Handheld battery-powered sprayer for easy and efficient disinfection of large surfaces and high-touch-point areas

* Coronavirus Disease 2019 (COVID-19) is caused by SARS-CoV-2. PURELL® Surface Sanitizer and Disinfectant Sprays kill similar viruses and therefore can be used against SARS-CoV-2 when used in accordance with the directions for use against Hepatitis A Virus (1-minute) on hard, non-porous surfaces. Refer to the CDC website at <https://www.cdc.gov/coronavirus/index.html> for additional information.
