

## In Their Words: IT Professionals on Partnering with the IT Experts of Staples

Staples customers know they can count on the industry expertise offered by our IT professionals, along with our vast product selection, ease of ordering and fast shipping. From IT experts researching new notebooks to offices looking to revamp their print environments, we have your IT needs covered. But don't take our word for it. Our customers share why they love working with Staples for their technology needs:

### EXTENSIVE SELECTION

“The **selection, price and ease of ordering** from the Staples site **make my job easier**, especially when I have to order items like laptops, Kindles and mice for the office.”

*Sheila Green — Document Control Administrator — Huf North America*

“The best thing about buying technology from Staples is their **selection** of HP and Dell monitors, laptops and printers! It's so great that I don't have to actually leave the office, but can just click and buy the trusted brands I know!”

*Juan Camacho — Production Coordinator — Dynamac Inc.*

“Staples has been a wonderful tool to help keep our office well-stocked. Everything seems to ship very locally, as deliveries are always very fast! **We've also never had a problem finding an item or having any issues with available inventory.**”

*Jesse Stoner — CAD Designer — Barton & Loguidice*

## CONVENIENCE

“The whole Staples team has been unbelievably gracious and helpful. Never once have I had a bad experience with them. They are always there to help. And the **response time is unbelievable.**”

*Eric Dinnan — Computer Technologist — Northwood University*

“We purchase HP keyboards and ink products from Staples. I like that they are **always easy to find, they ship really fast and they are always good quality.**”

*Brooke Silva — Office Administrator — Creative Foam PDC*

“Their helpful reviews, suggested toner function and fast delivery are all reasons why I choose Staples for my Brother and HP printers.”

*Lanette Alarcon — Administrative Assistant — Monique Lhuillier*

“I buy my APC battery backups from Staples because **I can get them in store AND online.** It’s not exclusive like some other companies.”

*Patricia Winfield — Monterey Airport*

## SAVINGS

“I work for a community health center and when I started here three years ago, the ink and toner budget was insane. I now purchase only Sustainable Earth brand ink from Staples, and **we have saved hundreds of dollars!**”

*Phyllis Porter — Executive Assistant — Covenant House Inc.*

“I buy my office’s HP printers from Staples because of their **availability, price and short shipping times!**”

*Clarissa Hernandez — Office Administrator — Warwick Construction*
